Ronald McDonald House Charities of Denver® (RMHC-Denver) is a community-based non-profit organization that provides a home away from home for families with seriously ill or injured children who need to seek medical care away from their own homes. RMHC-Denver's two Houses (one in Aurora, one in Denver) have a total of 118 private rooms where families can stay, for as long as treatment is needed, free of charge. Families enjoy comfortable, quiet rooms that offer a safe and peaceful respite at the end of long days spent at the bedside of a sick child.

RMHC-Denver relies on a network of caring corporate partners, volunteers, and individuals to make its vitally important services possible.

Today I am asking you to be part of the RMHC-Denver family of supporters by providing an item for our auction for the 2022 Storybook Ball. The Storybook Ball is an annual event that raises much-needed funds to sustain our Ronald McDonald Houses. We are excited that our event will once again be in person with both a live and silent auction, our anticipated attendance is 400-450.

The 2022 Storybook Ball will take place on Friday, June 3 at the Denver Botanic Gardens. We would appreciate having your item by May 15.

Your contribution will enable us to raise funding to sustain our work in 2022 and will help provide awareness for your product/service. More importantly, your company will be recognized as a community-spirited corporate citizen that lends a helping hand to families in the darkest of times by helping to provide a place of warmth and comfort.

Please return the enclosed form with your donation for proper recognition. We look forward to your donation and extend our warmest thanks for your participation – and your support of the families served by RMHC-Denver. Let us know if you are interested in learning more about our organization or the event as we would be happy to pass along additional information.
