

Our partners play an important role in keeping families of sick children together and close to the medical care that they need. Our collaborations provide unique opportunities to engage both groups and individuals

Partnership Opportunities

Become an Adopt-A-Room Sponsor

It currently costs approximately \$125 each night to house a family at either of our Houses. The Adopt-A-Room program gives supporters an opportunity to help cover these costs for a year and be recognized on signage that will be seen by thousands of visitors.

Sponsor a Fundraising Event

Sponsors of our fundraising events can boost their brand awareness, reach a target audience, and provide employees with the opportunity to engage. Choose from:

The Storybook Ball – A traditional gala that includes dinner, a program and live and silent auction.

Light the Houses Radiothon – This December event is a 12-hour live broadcast on KOSI 101.1, held in the lobby of the Denver Ronald McDonald House. During the event KOSI on-air talent spends the day sharing stories of the families who stay at RMHC-Denver and asking listeners to pledge.

Plan a DIY Fundraising Event

Organizing and presenting an event designed to raise funds and awareness for RMHC-Denver is a great way to engage employees and support a great cause. DIY fundraising opportunities are plentiful and we'll be with you every step of the way.

Volunteer

There are a number of ways for your group to volunteer at RMHC-Denver including providing a meal to our guest families through our volunteer meal program, organizing a wish list drive and more! We can match your talents to our volunteer needs to provide a meaningful teambuilding opportunity for your crew.

Provide an In-Kind Gift

From plumbing or electrical to IT or snow removal, we're always looking for companies to provide a service or product that will help defray the costs of running two Houses. It's a great way to showcase your products or services.
