

Meals from Scratch

A hot meal can do wonders for families who spend long days caring for their seriously ill children. We are looking for **groups of 3-10 people** to prepare a menu, purchase the ingredients, cook, and serve the meal from scratch to our families in our kitchen. This is a great opportunity for team building, friends and family, church groups, and more!

Sign Up:

- We need **1** volunteer to act as the **Group Leader** and register with our VolunteerHub site to reserve a date. The Group Leader must be 18 years of age or older.
- Once the date is reserved, we will reach out with registration instructions for your other volunteers to sign up. Group Leaders will be able to view who has signed up in VolunteerHub.
- Volunteer Group Requirements:
 - This opportunity is for groups of **3-10 volunteers**.
 - All volunteers must be **14 years of age or older**. Volunteers between the age of 14-17 must have adult chaperones. Volunteers ages 14-17 will not register online and will be given waivers to fill out and bring to the volunteer opportunity.

Prepare:

- **Ensure all volunteers register** and sign up for the volunteer event using your group's custom VolunteerHub link. We have important waivers attached to the registration that must be acknowledged prior to the volunteer event.
- There is a monetary commitment for this opportunity. The group is responsible for preparing a menu and purchasing all of the food ingredients.
- **Confirm your menu** with the Volunteer Manager at least 1 week in advance, as we advertise the upcoming week's menu throughout the facility.

- Meal teams are asked to **provide food for 30-40 people**, although we cannot guarantee how many guests will attend given our families unique schedules. You can reach out as your date gets closer for an updated estimate.
- **RMHC will provide cookware** (suitable for cooking for large groups), serving supplies (ceramic tableware, metal silverware, cups, mugs, etc.), and kitchen supplies and basics (gloves, cleaning supplies, paper towel, etc.). **If you would prefer to use disposable plates and plasticware, we ask teams to please provide their own.**
- Our kitchen is very large with ample space for food preparation. It has multiple stovetops, ovens, dishwashers, and many appliances for your use.
- All food must be prepared in our facility, a commercial kitchen or packaged from a store. **No at-home meal preparation can be done in advance!**
- Make sure everyone in your group is healthy, all volunteers must be completely illness/symptom free (cold, flu, fever, stomach virus, etc.)

Day-Of Instructions:

Arriving to RMHC:

- Please do not arrive earlier than the arrival times listed above, as our kitchen spaces may not be ready for you and staff may not be available to assist you yet. Our families will trickle in during serving time, so your meal does not need to be completely ready at the exact serving time.
- Park anywhere in our parking lot and head towards our main entrance. Go through the first set of doors and wait to gain access through the second set of secure doors (do not pull on the doors).
- When you arrive at the House, check in at the front desk. Everyone in your group must sign in on our iPad to ensure our waivers were acknowledged.
- We will provide you with a cart to bring in all your food supplies.

During Meal Preparation and Serving:

- A staff member or volunteer will bring you up to the kitchen and give you the Meal Volunteer Binder with all of the information you need to have a successful meal experience.
- All health and hygiene protocols must be followed, including wearing gloves that are provided.
- If you have any questions while cooking, please see the front desk for help.
- Once you have finished preparing the food, feel free to begin serving families, even if it is early. Serving is buffet style, you can choose to serve the families, or they can serve themselves.
- If you have leftover food, you are welcome to sit down and enjoy the meal with the families! You can also make up to 10-15 to go meals for families who may have missed the meal. To-go containers will be provided by RMHC.
- **If you still have leftovers after preparing the to go meals, you must bring the food home with you, due to limited refrigerator space at RMHC. Please do not leave large containers of prepared food at our facility.**

After Serving:

- Please clean the kitchen using the cleaning instructions in the Family Meal Program Binder.
- Make sure all dishes, pots, pans, silverware, etc. are loaded into the dishwashers before you leave. Please use the dishwasher detergent from under the sinks to start the dishwashers before you leave.
- Put away any clean dishes, pots, pans, etc. into the correct drawers and cabinets.
- Fill out a Meal Wrap Up Form in the Meal Volunteer Binder to check off our cleaning steps, report an estimate on how many people you served, and let us know if you have any comments or suggestions!
- Use a cart to bring down the 10-15 to go meals to the staff person or volunteer at the front desk. They will distribute the meals to the kitchens.
