## SAVE ON TAXES THIS YEAR

If you would like to support RMHC-Denver with a tax-smart donation this year, a gift of appreciated stocks, bonds or other marketable securities that you have held for more than one year may be the right gift for you.

When making a gift of appreciated securities owned for more than one year, you will receive a double tax benefit:

1. You are entitled to a federal income tax deduction based on the current fair market value of the securities, regardless of their original cost.
2. You will be exempt from paying capital gains taxes on any increase in the value of the securities since you acquired them—taxes you would pay if you had otherwise sold them.
